In Order for The American Women's Organization of Greece (AWOG) to be compliant, we must have releases from all members in order to collect data about them. This includes keeping a members' list which is required by Greek law and is kept current each year. It is held only by the Treasurer and Membership Secretary and must be kept on hand in case of an audit of the Organization. This list is not shared with third parties and is required in order for you to be a member.

A list of members in good standing is also seen by the Assistant Treasurer, Constitution Chair and President. It is also necessary for the accounting purposes of the organization insofar as how much money in dues is received.

We need your permission to let us send you e-mails via our group or any other e-mails pertinent to the running of the Organization. This includes the electronic mailing of Bulletins, AWOG activities, meetings, area rep notes, calls to General Assemblies and notifications of events being held by AWOG charities. I understand and agree to this.

We need your permission for the Area Representatives of each area to send you AWOG communications and area rep notes via their own e-mails. I understand and agree to this.

Additionally, we have a Facebook page which is not a public page, but open to AWOG members and friends only, on which photos of events or visitations may be posted - including pictures you are in. If you do not want your photos published, please do not pose for them. I understand and agree to this.

We have a website which will have a privacy provision and your photos and name may be on the private members only part of the website from events and visitations conducted.
